2025-2026 Tuition Rates

3 & 4-Year-Old Preschool	Monthly	\$525
--------------------------	---------	-------

Curriculum: In our preschool classrooms, we implement the Creative Curriculum, which fully aligns with the Pennsylvania Early Learning Standards. Our approach combines child-initiated activities with teacher-guided experiences, fostering a balanced learning environment.

Daily Snack and Lunch: The center provides a morning snack daily. For lunch, you have two options for your child. You may opt for JB's Bright Beginnings to provide a lunch for \$75 per month. Alternatively, you may choose to provide a packed lunch for your child daily. Please note that all packed lunches will be stored in the refrigerator.

Vacations, Illnesses, & Absences For children only enrolled in our part-year programs, we do not provide tuition refunds or reductions for absences due to vacation, illness, or other reasons. This policy is standard with most reputable childcare centers in the area and reflects the center's ongoing operating expenses.

Security Deposit: A security deposit of one month's tuition is required. Before a child can attend, all fees and tuition must be paid, enrollment forms must be completed, and a signed contract agreement must be on file. The security deposit is applied to the last month of tuition.

Payment Types: Payment can be made by cash, check, or through our Intuit electronic payment network.

Tuition Discounts: JB's Bright Beginnings offers a 5% discount to families who pay in advance for each semester (Sept-Dec) and (Jan-May) by the first of the month. JB's Bright Beginnings also offers a multiple-child discount for one or more siblings enrolled during the same school year. A 5% tuition discount is applied to the lower tuition rate. Discounts are only applicable when tuition payments are made on time.

Tuition Grants: JB's Bright Beginnings has received PreK Counts grant funding from the Commonwealth of Pennsylvania. This grant allows families with children (who are 3 or 4 years old by September 1st) to enroll in our high-quality preschool program at NO COST to the family. Limited grant funding is available.
